Re: Disposal System Construction Permit No. 441. Aquinnah Assessors Map # 12, Lot # 38; Set-Off Lot 232; issued by the Aquinnah Board of Health, 12/06/2002

Dear Mr. Decoulos:

In reviewing your request that we toll the expiration time for the above mentioned permit the Aquinnah Board of Health finds no statute or rule giving us authority to indefinitely "toll" the permit as requested.

However, under Section 15.020 (3) of the 310 CMR the Aquinnah Board of Health grants your request for a one year extension of the above mentioned permit. Be advised that the extended expiration deadline of DWP # 441 is to be 11:59 pm of *December 4, 2006*.

Sincerely,
The Aquinnah Board of Health
