RE: *IRA Plan Modification No. 4 Completion Report*  
*131 Main Street, Carver; RTN 4-17582; NON-SE-03-3T-103*

Dear Mr. Hobill:

On behalf of Eagle Gas, Inc., Decoulos & Company requests that the Immediate Response Action (IRA) Completion Report filed for the above referenced release be retracted.

The IRA Completion Report was filed electronically on February 22<sup>nd</sup> using the eDEP filing system. The DEP Transaction ID was 30366.

After discussing the submission with the Department, hard copies and carbon copies of the filing were not mailed.

We have decided to provide the information filed in the IRA Completion Report in the upcoming IRA Status Report. The Status Report will be filed in the next two weeks.

Please feel free to call or email if you have any questions or concerns. Thank you.

Very truly yours,

James J. Decoulos, PE, LSP
