Resurfacing of Route 58 (Main Street) from South Meadow Road to Purchase Street and related work. Related work includes realigning the intersection of 58/West Street/Meadowbrook Way to a 4-way intersection. Also, pedestrian signal proposed to be moved from location on 58 between Center Street and West Street to 58/West Street intersection. Other proposed work includes rehabilitation of drainage structures, new sidewalk extensions and replacement of guardrail, signage and pavement markings.
