BOARD OF REGISTRATION OF  
HAZARDOUS WASTE SITE PROFESSIONALS**

January 20, 2011

In the Matter of James J. Decoulos

Docket No. LSP 10AP 01

---

**RULING AND ORDER REGARDING MR. DECOULOS'  
MOTION TO SEEK ORAL TESTIMONY OF MILLIE GARCIA-SERRANO AND  
MOTION TO ADD EXHIBITS**

I have reviewed Mr. Decoulos' January 18, 2011, Motion to Add Exhibits and his Motion to Seek Oral Testimony from Millie Garcia-Surette, in addition to the prior pleadings and orders in this case. The Motion to Add Exhibits is allowed. The Motion to Seek Oral Testimony from Millie Garcia-Surette is denied for all the reasons stated by the Board of Hazardous Waste Site Professionals in its opposition to the motion and because Mr. Decoulos failed to meet the standard to obtain such oral testimony, which was articulated in the Second Post Conference Report and Order (pp. 2-3). See also Ruling and Order Regarding Motion to Correct, Amend or Modify and Request for a Conference, p. 6 (November 3, 2010).
